I wish to keep my Monmouth College e-mail active for up to one year after graduation. I understand that after this time my account will no longer be available.

**Please answer these questions from the Monmouth College Alumni Office:**

1. What are your vocational plans after graduation from Monmouth?
  
  
  
  
  
  
  
  
  
  
2. Do you expect to have an e-mail account with that institution?  
(If so, please update that information with our Alumni Relations Office)
