* COMM majors are encouraged to discuss with a COMM faculty member taking additional, elective courses in or outside the department that support their career plans. COMM Majors should avoid taking more than 14 course credits of communication and media courses in violation of the college's rule limiting courses in a single discipline.

** No more than 3 course credits of experiential credit may count toward the major; (This includes 100/200 workshops and internships.) Students may not exceed 1 course credit of 100-level workshop or 2 course credits of 200-level workshop.
