Important reminders regarding degree requirements:

1. Students must complete a minimum of 32 course credits to be awarded the Bachelor of Arts degree. Of those, 16 course credits must be taken at Monmouth College. No more than 13 course credits may be in a single discipline. No more than 2.50 course credits of participation credit may be applied toward the degree.
2. Any updates to my academic plan (dropping or adding a major/minor) will require an updated application for degree to be filed with the Office of the Registrar.
3. All students must meet with the Office of the Registrar to review the application for degree.

I attest with my signature that I understand the above statements.
