Driver MVR Review & Point System

MVR Review: The motor vehicle record (MVR) of Monmouth College drivers, including students, faculty and staff, will be reviewed by the College as follows:

Student Drivers: The MVR of a student who is requested to drive on college business will be checked once each academic year and prior to being placed on the list of students approved to drive for that academic year.

Infrequent Drivers: For those faculty and staff, including volunteers, who normally drive (best estimate) on college business less than ten (10) times annually (i.e., infrequent drivers), Monmouth College will complete a MVR check only in the event circumstances warrant as determined by Monmouth College.

Occasional Drivers: For those faculty and staff, including volunteers, who normally (best estimate) drive on college business more than nine (9), but less than twenty-five (25) times annually (i.e., occasional drivers), Monmouth College will complete a MVR check once every three years.

Frequent Drivers: For those faculty and staff, including volunteers, who normally (best estimate) drive on college business more than twenty-four (24) times annually (i.e., frequent drivers), Monmouth College will complete a MVR check annually.

Driver Point (approval) System: For the purpose of approving drivers, including students, faculty and staff, Monmouth College will apply the following point award system and will require a cumulative point total of three (3) or less during the three-year period immediately prior to the date of the MVR check:

One (1) Point: Minor moving violation, including violation for speeding of up to 10 miles per hour over the posted speed limit, failure to obey traffic signal, etc., or a violation of the “Monmouth College Driver Checklist & Agreement” (see below).

Two (2) Points: No-fault motor vehicle collision or a moderate moving violation, including but not limited to violation for speeding 11 to 15 miles per hour in excess of posted speed limit, violation for speeding in construction zones, driving too fast for conditions or failure to have vehicle under control.

Three (3) Points: Serious moving violation, including but not limited to speeding in excess of 15 miles per hour over posted speed limit or reckless driving.

Four (4) Points: Very serious moving violations, including but not limited to driving under the influence or aggravated reckless driving.

Examples provided in the above point system are not exhaustive. As such, points for infractions or moving violations not specifically cited in the above examples will be awarded at the discretion of Monmouth College in a reasonably consistent and uniform manner. This policy may be changed at the discretion of Monmouth College.
