To all who auditioned,

Thank you for your beautiful and brave work in this audition process. I was so heartened by each of your performances, and you made my decision *anything* but easy. There were versions of this cast list that included each of your names. Ultimately, this grouping had the energy that I believe is central to the play and to Gunderson's artistic wishes. I welcome the opportunity to discuss alternate opportunities for involvement, if that interest you. The 2020-2021 Theatre Season is going to be **DYNAMIC**, with many great roles. **Please audition again!**

With my very best wishes and sincere gratitude,
Dr. V
